

REMARKS

The Office action mailed October 20, 2005, set forth an election requirement, alleging that Figures 1A-1C were drawn to a first embodiment, Figures 2A-2D were drawn to a second embodiment, and Figures 3A-3C were drawn to a third embodiment. Applicants hereby elect the first embodiment for continued prosecution, without traverse. Applicants have canceled claims 14-20 herein, but reserve the right to pursue these claims (as well as additional claims) Figures 2A-3C in a divisional application.

Of the remaining claims, claims 1-4 and 7-13 read on the elected embodiment, and claim 1 is generic. All claims 1-13 are believed to be in condition for allowance, and the Examiner is respectfully requested to pass those claims to issuance. If the Examiner believes a teleconference will expedite the examination of this application, the Examiner is invited to contact the undersigned attorney at 770-933-9500.

No fee is believed to be due in connection with this Amendment and Response to Restriction Requirement. If, however, any fee is deemed to be payable, you are hereby authorized to charge any such fee to deposit account 20-0778.

Respectfully submitted ,
